

Mark Haigh

General Manager

mark.haigh@ticrail.com.au

"Ensuring compliance and quality assurance across the delivery of TICRail's operations."

Background

Mark is the CEO of The Instruction Company (TICRail). TICRail is a wholly owned subsidiary of public company Ashley Services Group (ASG) www.ashelyservicesgroup.com.au

Mark has intimate and extensive experience in rail training operations solutions nationally and is committed to providing quality staff and systems. He has been able to establish professional, committed and flexible training teams which have been designed to meet the needs of industry.

Mark has excellent organisational and planning skills which have been developed throughout his working life in industries including traineeships and apprenticeships, vocational training experience and as an education manager with both government and non-governmental organisations.

Since 2006 Mark has been involved in the establishment of compliant, responsive, flexible and innovative training teams and processes nationally to support Rail Safety Worker Competence projects in all states of Australia, furthermore he has established rail and vocational training methodologies in several other countries.

Mark is conversant with the National Rail Safety legislation with a knowledge of how they pertain to rail safety worker competence. He also has a thorough knowledge of state and federal based funding models to support training.

He has established and maintained quality systems in training for clients in all spheres of rail competence nationally.

His ability to establish, support and grow specialist teams to support rail industry workforce planning is his key focus and strength.
