

Vicki Searl

National RTO - Quality & Compliance Manager

vicki.searl@ticrail.com.au

"Ensuring compliance and quality assurance across the delivery of TICRail's operations."

Background

Vicki has worked in the Vocational Education and Training Sector for more than 20 years and has in excess of 10 years' experience in managing quality and compliance in rail RTO's.

Vicki's experience has involved all elements within an RTO inclusive of but not limited to, administration, accounts, compliance, tendering, auditing, funding, business development, strategic planning, risk mitigation, ethics and human resources.

She has successfully built partnerships nationally with rail network owners, rail operators and rail contractors. Her acute understanding of rail safety law and VET compliance has added value to numerous rail stakeholders.

Throughout her many years in the VET sector Vicki has developed vast networks and gained practical experience in delivery, development, and corporate governance functions as they relate to the provision of quality training and meeting national regulatory requirements.

Having worked in an operational role throughout the VET and Rail sectors, Vicki brings to the team a focus on continuous improvement and quality based on practical experience and achievement.
